

**IMPORTANT! If you are making changes to existing sites, delete the original location on page 2 and add the new updated site information below on page 1. Site information must be precise and a site name or identifier is required. This form is not required to change varieties. Please submit variety changes to: [indianahemp@groups.purdue.edu](mailto:indianahemp@groups.purdue.edu).**

**Growing Site Information:** Provide total acres (outdoor) or square footage (indoor) being used strictly for the growing of hemp - numeric only. Latitude and Longitude must be in decimal format and contain all positions returned from the mapping program used and should be taken from the center of the field or structure. <https://www.latlong.net>

**ADDITIONS:**
