EXAMPLE ONLY

INSTRUCTIONS:

1. Enter in Column 1, Page 4 all **mixed feeds** distributed in Indiana under your label, including concentrates, supplements and pre-mixes and complete feeds. *
2. Enter in Column 2, Page 4 all **ingredient feeds** distributed in Indiana under your label.
3. Add the totals of Columns 1 and 2, Page 4 and enter on Line 1, Page 1.
4. Enter in Column 3, Page 4 all ingredient feeds used in your branded feeds, and enter the total on Line 2, Page 1. (These are feeds labeled by a previous supplier, who will have already paid the Indiana inspection fee).
5. For claims made in Column 3, document the feeds purchased with the inspection fee paid to the supplier on Page 2.
6. List on Page 3 all feeds sold to companies granted an Interstate Exclusion, and enter the total on Line 3, Page 1. (A list of qualifying companies is available from this office upon request or by visiting our website.)
7. Complete Lines 4 through 9, Page 1.

**Jobbers and out-of-state distributors are responsible for all feed tonnage they cause to be distributed in Indiana.*
