Blowing Pavement

Washing off Nontarget Drift

Cleaning Sprayer

Leftover Mixture

Secure Pesticides in Truck

Accidents

Poisonings

Spills at Job

Truck Accidents

Complaints

Office of Indiana State Chemist

- Mandatory attendance for entire training.
- Sign in and provide last 4 numbers of social security to make an OISC record.
- Instructors will inform participants planning to take certification exam at later date that they need to study and review learning objectives. Today's training will not address all the manual learning objectives.
- A brief explanation on how to register for OISC certification exams with Metro Institute.
