I. Recitals: Policy Considerations

This Policy is promulgated, and shall be interpreted to:

- A. Allow for a quorum during meetings and compliance and enforcement hearings when full Board Member participation is not physically possible;
- B. Follow Ind. Code § 5-14-1.5-3.6 and any other applicable provisions of the Open Door Law and other applicable law, and be interpreted in a manner consistent with such laws;
- C. Encourage Board Members to physically attend meetings and compliance and enforcement hearings when possible.
- D. Ind. Code § 5-14-1.5-3.6 applies to electronic participation in Board meetings and establishes various requirements, including that Board Members may participate electronically only if a means of communication is used that permits the Board Member, all other Board Members, and members of the public physically present at the place where the meeting is conducted to simultaneously communicate with each other during the meeting; at least 1/3 of the Board Members must be physically present at the place where the meeting is conducted; all votes in electronic meetings shall be roll call votes; each Board Member must be physically present for at least one meeting of the Board annually; absent adopted policy to the contrary, a Board Member who participates by electronic communication is considered present, may be counted in establishing a quorum, and vote at the meeting; and the Board must comply with the Open Door Law and adopt a policy under Ind. Code § 5-14-1.5-3.6(g).

II. Policy Provisions

Based on the foregoing Recitals, the following Policy is hereby adopted by the Indiana Pesticide Review Board under Ind. Code § 5-14-1.5-3.6(g):

1. Board Members are encouraged to attend all meetings in person.

3. A Board Member attending via electronic means shall notify the Board Secretary or Board Chair reasonably in advance of the meeting. The Board Chair shall approve requests by the Board Members to attend electronically.
4. A Board Member participating via electronic means can do so by telephone, computer, video conferencing, or any other method of communication that allows for simultaneous communication and is capable of being recorded by members of the public present at the designated meeting site.
5. Where at least one (1) Board Member is participating via electronic means at an Indiana Pesticide Review Board meeting, all votes must be taken by roll call.
6. Each Board Member must physically attend at least one (1) Indiana Pesticide Review Board meeting per year.
7. A Board Member appropriately participating via electronic means is considered present, is counted for quorum purposes, and may vote at the meeting on all matters. The Policy is not intended to reduce robust debate of Board matters.
8. A Board Member participating in a meeting via electronic means is not required to do so in a setting that is open to the public.
9. The Board Chair is delegated to supervise and coordinate electronic participation, with the assistance of the Board Secretary and in consultation, as necessary, with the Deputy Attorney General assigned to the Board.
