**ACTION ORDER**

Issued to: \_\_\_\_\_

Address: \_\_\_\_\_

E-Mail: \_\_\_\_\_ Phone (\_\_\_\_) \_\_\_\_\_

Subject to I.C. 15-16-5-65(6), you are hereby ordered to:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Any person who fails to comply with the terms or provisions of this ACTION ORDER commits a violation of I.C. 15-16-5-65(6), punishable under I.C. 15-16-5-66(d)(3) by a fine of \$1000.00. In accordance with I.C. 15-16-5-67, a person aggrieved by this ORDER may obtain a review by the Indiana Pesticide Review Board, if the person files a written petition with the Board not later than thirty (30) days after issuance of this ORDER at [iprb@groups.purdue.edu](mailto:iprb@groups.purdue.edu).

**Details regarding the non-compliant issue(s) referenced above and any additional guidance on what steps to take to bring the issue(s) into compliance can be found on the reverse side of this ORDER, at [www.oisc.purdue.edu/pesticide/order](http://www.oisc.purdue.edu/pesticide/order), by contacting [pestcompliance@groups.purdue.edu](mailto:pestcompliance@groups.purdue.edu), or by calling (765) 494-1492.**

*The ACTION ORDER detailed on the front side of this form is an order from the Office of Indiana State Chemist (OISC) to cease the non-compliant activity immediately. Guidance on steps to take to correct the observed non-compliance can be found at <https://www.oisc.purdue.edu/pesticide/order.html> or the below referenced specific sites. Please note that any corrective steps taken immediately to address the non-compliant conditions may be considered as a mitigating factor in any associated enforcement action.*

1. Stop offering restricted use pesticides (RUP's) for sale until your business location is registered by OISC as a Restricted Use Pesticide Dealer. Instructions for registering as a RUP Dealer are available at [http://oisc.purdue.edu/pesticide/restricted\\_use\\_pesticide\\_dealers.html](http://oisc.purdue.edu/pesticide/restricted_use_pesticide_dealers.html)
2. Stop storing bulk pesticides at this location until the indicated bulk storage requirements have been met. Instructions for compliance with the bulk storage and containment rules are available at [http://oisc.purdue.edu/pesticide/pdf/bulk\\_storage\\_containment\\_summary.pdf](http://oisc.purdue.edu/pesticide/pdf/bulk_storage_containment_summary.pdf)
3. Stop refilling the identified portable refillable containers (PRCs/minibulks) until all U.S. EPA requirements are met. Instructions for refilling PRCs are available at [http://www.oisc.purdue.edu/pesticide/pdf/refillable\\_container\\_requirements.pdf](http://www.oisc.purdue.edu/pesticide/pdf/refillable_container_requirements.pdf)
4. Stop advertising or making pesticide applications for hire until your business location is credentialed by OISC as a Licensed Pesticide Business. Instructions for licensing for your business are available at [http://oisc.purdue.edu/pesticide/how\\_do\\_i\\_pbl.html](http://oisc.purdue.edu/pesticide/how_do_i_pbl.html)
5. Stop performing wood destroying pest inspections for hire until your business is licensed OISC in category 12. Instructions for licensing your business are available at <http://oisc.purdue.edu/pesticide/12.html>
6. Stop pesticide applications on school property until you obtain a Pesticide Applicator License from OISC. Instructions for applicator licensing are available at [http://oisc.purdue.edu/pesticide/how\\_do\\_i\\_ca.html](http://oisc.purdue.edu/pesticide/how_do_i_ca.html)
7. Stop pesticide applications on your school property until the school and any related pesticide applicators are in compliance with the legal requirements for applicator certification, advance notification of application, application record keeping, and application restrictions. Instructions for compliance with the requirements in the "School Rule" are available at [http://oisc.purdue.edu/pesticide/pest\\_use\\_at\\_school.html](http://oisc.purdue.edu/pesticide/pest_use_at_school.html)
8. Stop pesticide applications on your golf course until you obtain a category 3b (turf management) Pesticide Applicator License from OISC. Instructions for category 3b applicator licensing are available at <http://oisc.purdue.edu/pesticide/3b.html>
9. Stop pesticide or fertilizer applications for hire until you obtain a Registered Technician (RT) credential from OISC. Instructions for obtaining a RT credential are available at [http://oisc.purdue.edu/pesticide/registered\\_technician.html](http://oisc.purdue.edu/pesticide/registered_technician.html)
10. Stop pesticide or fertilizer applications for hire until the indicated direct supervision requirements have been met. Instructions for complying for direct supervision requirements are available at [http://oisc.purdue.edu/pesticide/supervision\\_app\\_tech.html](http://oisc.purdue.edu/pesticide/supervision_app_tech.html)
11. Stop advertising or making pesticide applications in a category for which you or your business are not currently licensed. Instructions for obtaining certification and licensing in the additional category are available at [http://oisc.purdue.edu/pesticide/continuing\\_certification\\_program.html#categories](http://oisc.purdue.edu/pesticide/continuing_certification_program.html#categories)
