2. The following page should appear. If the warning “You are not authorized to view this page” appears, disregard and proceed to step 3.

The screenshot shows the OISC (Office of Indiana State Chemist) website. On the left is a vertical navigation menu with the following items: INPlants Homepage, Pesticide Programs (with a right-pointing arrow), Product Search, Licensed Feed Manufacturer Search, Licensed Fertilizer Manufacturer Search, Licensed Seed Dealer Search, and Pesticide License Search. To the right of the menu is a large image of a farm with a barn and silo. In the center of the page, there is a red error message: "You are not authorized to view this page." Below the error message is a button labeled "<< Go Back".

3. Hover your cursor over “Pesticide Programs”:

This screenshot is identical to the previous one, but with a blue arrow pointing to the "Pesticide Programs" menu item, which now has a right-pointing arrow next to it, indicating it is active or highlighted.

4. The following page should appear:

5. Click on Applicator Login and enter First Name, Last Name and Last four of your SSN:

6. Licenses can be printed (if the license is valid for the current year) by clicking the button "License".

CCH's can be found by clicking on "Exams". Each category will be displayed along with Credits Acquired and Credits Needed.
