

### **Remotely Proctored Exams Available now:**

Remote, live proctored exams (exams you can take at home). Sign up through <http://indiana.metrosignup.com/>. These exams are proctored remotely by a human-proctor (via webcam and microphone) as well as artificial intelligence (A.I.).

**Do NOT sign up if you do not have complete control over your environment.**

Exams will be halted and counted as a failure if any of the below occur:

1. If any person is detected in the exam room by the remote proctor or A.I., regardless of age or intent.
2. If any voice(s) are detected by the remote proctor or A.I.
3. Any disruption in the web cam or microphone.
4. Leaving the exam area for any reason.

You will be required to agree to these as well as other rules during the sign up process.
