

## Category 7b - Termite Control Site Assessment Fact Sheet

This fact sheet can serve as written instructions to a registered technician covering a variety of site-specific precautions to prevent injury to persons or the environment or damage to property. The certified pesticide applicator supervising the registered technician is responsible for determining the need for additional site-specific precautions. This fact sheet must be in the possession of the registered technician at the work site and must be reviewed by the registered technician prior to each pesticide application.

- I have a label and Material Safety Data Sheet (MSDS) for each pesticide product to be used at the job site.
- I will be wearing the personal protective equipment (safety gear) required by the label.
- My certified supervisor's name is \_\_\_\_\_, and I am able to contact him/her by \_\_\_\_\_.
- I have my registered technician credential with me.
- I am at the correct application site/location/address.
- I am aware of any special requests or instructions from **this** customer.
- Building residents, occupants, or the designated property management person has been advised of any re-entry restrictions required by the label.
- *If treating for termites, I have the following:*
  - Copy of the contract.
  - Graph or diagram of the structure(s) to be treated.
  - Accurate structural dimensions of the structure(s).
  - Treatment specifications that have been signed by my supervisor.
  - The dilution rate to be used.
  - Volume of termiticide to be used.
  - Signed waiver from the customer for any omitted treatment procedures.
- *I have checked for any of the following which could be adversely affected by my application:*
  - Residents/occupants with known sensitivities or health concerns.
  - People located in the area to be treated.
  - Wells, cisterns, sump pumps, French drains, or foundation drains.
  - Lakes, ponds or swimming pools.
  - Pets or pet dishes.
  - Toys.
  - Schools (see "[Pest Control in Schools Policy](#)").
  - Child Care Facilities (see "[Child Care Facility Pest Control](#)")
