The STOP SALE ORDER detailed on the front side of this form is an order from the Office of Indiana State Chemist (OISC) to cease the non-compliant activity immediately. Guidance on steps to take to correct the observed non-compliance can be found at <https://www.oisc.purdue.edu/pesticide/order.html> or the below referenced direct contacts. Please note that any corrective steps taken immediately to address the non-compliant conditions may be considered as a mitigating factor in any associated enforcement action.

Non-compliant Activities

1. Stop offering pesticide product(s) for sale or distribution until the product(s) is registered by OISC.
2. Stop producing pesticide product(s) until the product(s) is registered by OISC.
3. Stop offering pesticide product(s) for sale until the label misbranding is corrected.
4. Stop offering pesticide product(s) for sale until the product adulteration is corrected.

Direct contacts for assistance or questions:

Compliance Department: For all questions regarding this STOP SALE ORDER contact the OISC Agent listed on the reverse side of this form or pestcompliance@groups.purdue.edu, (765) 494-1492.

Pesticide Product Registration Department: For all questions regarding the registration of pesticide products visit http://oisc.purdue.edu/pesticide/pesticide_products.html or contact pestproducts@groups.purdue.edu, (765) 494-1587.

Indiana Pesticide Review Board: In accordance with I.C. 15-16-4-64.5, a person aggrieved by this ORDER may obtain a review by the Indiana Pesticide Review Board, if the person files a written petition with the Board not later than thirty (30) days after issuance of this ORDER. For details contact iprb@groups.purdue.edu, (765) 494-1593.
